Here's Version 7 which precipitated. Version 8 from this morning.

We will discuss all this in a few.

Rich

Rich, while the conversation with Shawn was fresh in my mind, I took a stab at modifying the SB to address his comments and outline a scope he is willing to approve. We should talk but I think/hope I have done most of the heavy lifting for you in terms of the modifications he is looking for. Again the changes are in color so you can see them. And you are free to provide further edits. Thanks, den.
